Current Responsibility

Daniel Sharon is a principal, consulting actuary, and a practice leader at Milliman's Tel Aviv office in Israel.

Professional Work Experience

Daniel is a seasoned life and health actuary with 25 years of experience in the market. He founded the Tel Aviv office in 2018, serving the traditional insurance market alongside the growing insurtech sector. He leads a strong analytical team in the life, health, non-life and data science areas.

Previously, Daniel served as SVP and chief actuary at Phoenix Insurance and was a vice president at Harel Insurance in Israel.

Professional Designation

FIA - Fellow of the Institute of Actuaries

Education

BSc WITS University South Africa
